

Shared Harvest

FOODBANK

PARTNER
FOOD BANK OF
FEEDING AMERICA

Annual Report

(June 2024 - July 2025)

A Note from our Executive Director

Dear Friends,

At Shared Harvest Foodbank, the numbers tell a powerful story. This year, **we distributed 12 million pounds of food** across Butler, Darke, Miami, Preble, and Warren counties. We delivered 2,000 boxes to seniors every month, ensuring dignity and stability. We completed 1,046 SNAP applications, connecting families to vital benefits. **Together, we fed 47,000 individuals each month**, each one a neighbor whose life was touched. And we were lifted by volunteers who gave 10,605 hours of their time, every hour a testament to care in action.

Behind these numbers is something even more important: **people helping people**. A senior who opened a box of groceries and felt relief. A child who smiled at a full plate. A volunteer who showed up week after week. Most of those we serve will never meet the donors who made their meals possible or the volunteers who packed their boxes. Yet through Shared Harvest, these unseen connections become lifelines of hope, proving that kindness can unite people who may never cross paths.

As we celebrate these achievements, we also pause to honor the life and legacy of our founder, Tina Osso, who passed just after the close of this fiscal year. Tina believed in the **power of community** - one person inspiring another, neighbors standing together against hunger. Her vision continues to guide us, and we are committed to carrying it forward.

Even as hunger persists and the number of families in need continues to grow, this FY 2024 –2025 Impact Report shares how strength in numbers and the compassion of community combine to change lives across Southwest Ohio. Each gift, each hour volunteered, each box packed, each meal shared is part of a larger story of resilience and hope.

Thank you for being part of this story, and for being the difference in someone's life.

With gratitude,

Terry L. Perdue
